EDUCATION

Madhav Institute of Technology and Science Gwalior, India
Bachelor of Technology in Computer Science *Oct. 2021 – May 2025*

Jawahar Navodaya Vidyalaya Ashoknagar, India
High School *July. 2013 – April 2018*

EXPERIENCE

Associate React Developer Jan 2024 – April 2024
Seequenze Technologies *Bengaluru, India*

- Worked on two major projects, first was building website with support system and trained AI chatbot using a third party service tawk.to and second was building a java application to generate code automatically from figma design.

- Skills: Next.js, React, Javascript, Java, AWS, Jenkins, Tailwind CSS

Software Developer March 2025 – current
Accenture *Bengaluru, India*

- It was more of training than internship, in training we were provided knowledge and hands-on of java, aws, sql and introduction to cyberark.

PROJECTS

Youtube video player with notes | *Link* May 2024
- Skills: Nextjs, Reactjs, Typescript, TailwindCSS
- video player to play youtube videos with the feature to take notes at ant timestamp and seek to that time when clicking on the note.

AWS Presigned URL | *Link* May 2024
- Skills: Nextjs, Nodejs, AWS S3, Reactjs, Typescript, TailwindCSS
- React app to upload and download objects from s3 using presigned url.

Managewise Replica | *Link* December 2023
- Skills: Nextjs, Reactjs, Typescript, TailwindCSS
- Designed with Next.js 14 to optimize speed and enhance SEO capabilities. Employed Tailwind CSS for a polished and professional styling approach.

Email Automation | *Link* December 2023
- Skills: Nodejs, Expressjs, Javascript, Gmail API
- The application will automatically respond to unread emails and assign them a corresponding label. This process will occur at random intervals ranging from 5 to 10 seconds.

Portfolio Website | *Link* December 2023
- Skills: Nextjs, Reactjs, Typescript, TailwindCSS, Emailjs
- I have developed a highly efficient, multipage portfolio website, which I personally utilize. The website is crafted with Tailwind CSS to achieve a polished and professional styling, and I've incorporated ShadCN as a components library.
